OVERVIEW

SOLIHULL EXPERIENCE: THE HOME OF LAND ROVER

The Solihull facility dates back to the Second World War, constructed to supply engines for planes, tanks and other vehicles. Today, the Solihull manufacturing facility still drives automotive excellence from the heart of the United Kingdom.

Be immersed in the world's most desirable and capable vehicle brands. Explore our purpose-built off-road track or go behind the scenes and witness our vehicles' journey from raw materials to road-ready.

TEAM BUILDING

PROVE YOUR CAPABILITY

Our team building days challenge and inspire through unforgettable, vehicle based adventures. Take on driving challenges that demand communication, trust, and clear decision making under pressure.

From precision manoeuvres to technically demanding off road routes, every activity is crafted to push capability, strengthen problem solving skills, and bring people together in a truly unique environment.

Whether you're navigating rugged terrain or collaborating to overcome a challenge, this is where real teamwork is forged. Ignite team spirit with curated drive convoys across our various tracks in either Defender, Discovery or Range Rover.

GO BEHIND THE SCENES

You and your team can see behind the scenes with a Range Rover Factory Tour of our original manufacturing facility. This is an opportunity to witness how some of the UK's most iconic vehicles are assembled.

Be guided through one of the most technologically advanced sites in the world, where cutting-edge innovation meets time-honoured craftsmanship.
